SACRED HARMONIC SOCIETY.

Vincent Novello

1 Craven Hill

Bayswater.

I particularly prize this beautiful Copy of Pergolesi's famous Work, as it was given to me by my beloved friend, Signor Dragonetti; — and I have therefore a special pleasure in presenting it to the Sacred Harmonic Society, for preservation in their Library at Exeter Hall, as a token of my own good will & best wishes for the success of that Society in whose improvement and continued prosperity Signor Dragonetti took so great and cordial an interest.
